Agence France Trésor is pleased to announce the launch of the new version of its website aft.gouv.fr.

The new version provides improved access via smartphones (iPhone, Android, etc.) and touchscreen tablets. We invite you to discover its new design and usability.

The new horizontal menu bar provides easy access to the sections that you used to consult on the previous version of the website: AFT, Budgetary Environment, Debt Management, Cash Management, Middle Office, Economic Indicators and Publications.

We have kept the multilingual character of our website; translated entirely into [English](#), it is partly available in the following languages: [Arabic](#), [Chinese](#), [German](#), [Italian](#), [Japanese](#), [Russian](#) and [Spanish](#).
